SpeedCove is priced per lineal foot and per corner, and is sold by the box. Corners are 10" long and extend 5" down each side of wall. There is little or no waste and no shelf life on the product.

1" Radius Cove

- Comes in 48" pcs. & 12ft. long pcs., always 96 ft./box
- Corners are not made for this system because they are not needed.

Distributor Information . to better serve our customers, we are currently in the process of building our nationwide distribution network. If a distributor is not available in your area, we will be happy to service you directly until one is established.

FOB Information . all pricing is FOB North Carolina. We do have stock on hand in Northern California.

Lead Time Information . in order to better serve our customers, we ask that all orders be submitted to Solid Rock Enterprises at least 10 working days prior to your earliest delivery date. This is especially important for orders of 2000qpr more and for orders travelling coast to coast.
